THE PREMIER INTERNATIONAL M&A LEADERSHIP SUMMIT

The 2012 International M&A Summit will bring together a Faculty of over 50 industry stalwarts and 400 guests, including the world's top dealmakers - private equity, institutional investors, legal and investment banking professionals, and other key market experts - academics, media and political leaders, to discuss the key issues facing all of the international M&A markets today.

In partnership with government, business and academic leaders from the world's most powerful emerging countries - Brazil, Russia, India, China and South Africa, the summit will also feature the world's first **M&A In The BRICS** Symposium at the Summit.

Another dynamic new feature of the International M&A Summit is the formal launch of **M&A CONNECTS™ CHINA**, an exclusive new service to address the increasing demand by Chinese businesses to invest in US M&A opportunities.
