

A PUBLIC ADDRESS BY H.E. ANDRZEJ DUDA PRESIDENT OF THE REPUBLIC OF POLAND

“Successful Together: Polish-U.S. Bilateral Economic and Security Cooperation”

The U.S. Chamber of Commerce, in partnership with Thomson Reuters and the Polish Trade & Investment Sections in Washington and New York, cordially invites you to attend a public address by Andrzej Duda, President of the Republic of Poland, at **12:00pm - 1:15pm on Monday, September 19, 2016, at Thomson Reuters, 3 Times Square, 30th Floor, New York, NY.**

President Duda will address Poland’s growing role at the heart of Europe and outline the country’s ambitious economic reform efforts to spur innovation and attract investment. This will be his only public event on this visit to the United States.

Poland is among the United States’ most important allies and is a fast-rising economic partner as well. In fact, Poland was the only country in the EU never to fall into economic recession during the financial crisis. Given the geopolitical volatility in Europe’s East, as well as the ongoing negotiations towards a free trade agreement between the U.S. and EU, this event promises to be an interesting discussion at a pivotal moment for the transatlantic alliance.
